OF THE NATIONAL ACADEMIES

# What is PrescriptChain?

Our aim is to streamline and secure the entire prescription process for patients, physicians, and pharmacists, using the power of the Factom protocol.

# Why PrescriptChain?

- Paperless
- Tamper-proof
- Transparent
- Simplifies workflow
- Web-based
- Secure & private
- Time-stamped & chronological
- Follows patient

# How we built PrescriptChain

***jQuery***

python™

factom

Flask
